## Bay High School FHA Class Has Style Show

The Future Homemakers of America presented a fall fashion show Wednesday, Dec. 1 at Bay High.

The stage was decorated with fall leaves, to set the scene and give accent to the fall clothes.

The show was started in the form of a skit, with Gail Banderet as an adolescent teen-ager, a typical tomboy. During the show she falls asleep on the sofa and her conscience begins to speak to her. She sees her friends parade in front of her in their new fall fashions which they made themselves in home-making class.

Girls in school clothes were: Delta Garcia, in a green and black corduroy jumper; Margie Garcia, in a blue cotton dress; Betty Lou Raley, in an orchid cotton dress; Alice Schubert, in a red corduroy jumper; Rita Morel, in a blue cotton dress; Barbara Corri, modeled a grey skirt and waistcoat.

Mary Alice Heitzmann wore a green and yellow plaid shirt; Billy Jean Walters wore a corduroy jumper; Barbara Bennett, a red cotton dress; Thelma LaFontaine, a blue corduroy dress; Peggy Garcia a tan dress and Shirley Lizana, a blue jumper.

Dressed in sport clothes were Janet Breland, in a gold corduroy dress; Marjoe Breland, in a two piece red corduroy jacket; Barbara Corri, a green skirt and a green and black striped blouse.

Clothes suitable for church were modeled by Kay Kramer, who wore a navy blue gabardine suit and tan wool topper; Betty Hartfield, a tweed rayon suit; Ruth Ladner, a green corduroy jumper; Janet Breland, green and black plaid jumper with black corduroy jacket;

Rose Marie Asher, a blue corduroy dress; Shirley Bufkin, a brown and blue checked suit; Beverly James, a tan and blue plaid suit; Sylvia Tamplin, a blue tweed dress.

In the party category Shirley Bufkin modeled her blue dress with matching jacket; Sylvia Tamplin, blue tweed without the jacket; Mary Alice Heitzmann, a fuchsia travel-tone dress.

The skit for the show was planned and written by four senior girls in third year, Sylvia Tamplin, Janet Breland, Shirley Bufkin, Rosemary Millinery and Corrie Mae O'Farrell. The narrator was Darling Normand who also played the part of Gail's conscience.

## Shower for Bride-Elect

Bride-elect Miss Mary Palmer, daughter of Mr. and Mrs. Dudley Palmer, was honored at a shower given at the home of Mrs. Carl Banderet on Wednesday of last week.

Pink and white colors predominated the decor with a huge bowl of daisy chrysanthemums and fern forming an attractive centerpiece for the dining table. An embroidered cloth covered the table and umbrellas of pink and white were filled with candies and given as souvenirs to the guests.

A three tiered cake decorated with a bouquet of roses was placed on the serving table.

About thirty persons were included in the guest list.

Miss Palmer received many lovely gifts.

## YC AUXILIARY LUNCHEON

The Bay Waveland Yacht Club Auxiliary will have their regular luncheon and canasta at the club Wednesday, Dec. 8. Mrs. Edward Heath will be hostess.

## Change Acreage Allotment Law

Senator John Stennis (D-Miss.) has called attention to changes in the acreage allotment law for 1955 and urged county communities to give full consideration to the needs of small farmers in apportioning 1955 cotton acreage among individual farmers.

Noting that county committees are now engaged in the process of computing individual allotments, Senator Stennis said that these groups will have wide discretion in allocating acreage this year, due to a change in the law.

He pointed out that last year the law required that small farms be granted a minimum allotment. Under present law the county committee can choose, if so the desire, to allot acreage according to the average acreage planted and farms in 1952, 1953 and 1954.

If this method is used, the county

## LEGION AUXILIARY SPECIAL MEETING SET FOR MONDAY

An American Legion Auxiliary special meeting will be held at the Legion Home Monday evening at 8 o'clock instead of the following Monday as scheduled.

Special guests for the evening will be Mrs. W. L. Dickson and Mrs. A. S. Bush, State Auxiliary president and vice president, respectively.

Main topic of the evening will be Rehabilitation and Child Welfare. All members are asked to attend and make this the largest group ever to attend an Auxiliary meeting.

All members are asked to bring their Auxiliary Holiday Coin Cards to this meeting.

## Free Movie At A & G Dec. 15

The management of the A & G Theatre has announced an afternoon of free entertainment, with a feature picture and cartoon at 3:00 Dec. 15.

The afternoon is sponsored by the Rotary Club. A request for donations of canned goods to be used in filling Christmas baskets for the needy is asked from those who wish to give. However, the management wants all children of the community to attend whether they are able to bring gifts or not.

## Services Held For Mrs. Lillian Zerr

Funeral services were held Friday, Nov. 26 for Mrs. Lillian Ames Zerr, who died at her home, 300 N. Beach, Wednesday, Nov. 24 at 11:15 a.m.

A funeral mass was said at Our Lady of the Gulf Church at 10:00 a.m. Interment was in St. Mary's cemetery.

The deceased was the wife of Charles Zerr, sister of Miss Geraldine Ames, step niece of Albert and Claude Monti, all of this city.

## Birthday Party

Oma Burdette celebrated her 14th birthday Nov. 28 with a party given by her mother at the Pine Burr Restaurant in Waveland.

Mrs. Ruth Dufour served refreshments. Guests included Betty Miller, Brenda Brechtel, Margie Green, Cora Mae Vetter, Marcel Anderson, Tommy Kidd, Ronnie Maurigi, Jerry Scafield and Freddie Bourgeois.

## Announce Birth

Mr. and Mrs. Papp Shaw, Poplarville, announce the birth of a son, Lionel Anthony, Monday, Nov. 29. This is the third son of the young couple. Mr. Shaw is agriculture teacher at Kiln school.

Tech/Sgt. and Mrs. Robert Sterner and children spent the past weekend here at the home of Mrs. Sterner's mother, Mrs. George Heitzmann, who returned with them from Houston, Texas after spending two weeks there.

Brother Linus, SC, vice-president of St. Stanislaus, is attending the annual convention of the Southern Association of Colleges and Secondary Schools, held in Louisville, Ky. this week. Besides representing St. Stanislaus at this convention, he also will represent the school at the annual convention of the Southern Association of Independent Schools, of which he was vice-president in 1949. On Friday, he will attend the convention of the Southern Regional Unit of the National Catholic Educational Association.

## TO RECEIVE DEGREE

L. C. Ladner, superintendent of the Kiln School, will complete his training for his master's degree this week and will receive the degree at Mississippi Southern College.

Members of the local American Legion Auxiliary who went to Biloxi VA Center Monday to help in the gift shop were (left to right) Mrs. Rene Bernond, Mrs. Gerald Favre, Mrs. Ida Telhiard, Mrs. Fred Curet, Mrs. Russell Elliott, Mrs. Nellie Nelson, Mrs. Dan Ziegler, and (not shown) Mrs. Jim Pfeiffer.

## 2 Enlistments Bring Guard Strength to 25

Enlistments in the local unit of the national guard this week included Sgt. Wilbert J. Adam and Pvt. Thomas M. Karl Jr.

Sgt. Adam, who recently returned from two year's active duty in Japan and Korea, will be Supply Sergeant for the company.

Pvt. Karl, son of Mr. and Mrs. Tom Karl, is a student at Bay High School, and resides at 417 St. John St.

Members of Company C, 223rd Engineer Aviation Battalion, were issued their initial uniforms at the meeting held Monday night, Nov. 29.

Present strength of the Company is 25 men. Anyone 17 years of age may enlist in the National Guard with their parent's consent; men enlisting prior to attaining 18½ years of age are exempt from draft and will remain in their home unit for their military training.

For further information concerning the National Guard company located in Bay St. Louis, call the commanding officer, phone 1385, or write P. O. Box 284.

## S-D Day Depends On Individuals For Success

Mississippi oil men have pledged full support to the coming S-D Day Safe Driving Day—but, cautioned that it could be successful "only if every single driver and pedestrian in the state obeys the rules of highway safety and courtesy."

Wednesday, Dec. 15, has been designated by Governor White as Safe Driving Day. The 24-hour campaign aims to obtain the cooperation of every person in the state toward eliminating motor vehicle accidents on this day.

"Never has any safety project been aimed so directly at the principal cause of motor accidents—the individual," according to H. J. Nicholas, Chairman of the Mississippi Petroleum Industries Committee. "Studies by the petroleum industry's highway safety program reveal that nine out of every ten deaths from motor accidents is due to individual human error."

He continued, "The great share of these errors are made by the man at the wheel. That's the meaning of the phrase: Safe drivers make safe highways."

S-D Day, Nicholas noted, gives an excellent balance to the "slow down and live" campaign led by the governor during the summer vacation period. "Together, the two campaigns serve to emphasize that good conduct both at the wheel and on the curb, is essential the year round," he concluded.

## Sister of Mr. Carter Dies as Result of Auto Accident

Mrs. Gay Miller, Carson, Miss., sister of Charles Carter Sr. of this city, died Tuesday, Nov. 23 as the result of injuries received in an automobile accident.

Funeral services were held Wednesday, Nov. 24, with interment in Prentiss, Miss.

Mr. and Mrs. Charles Carter Sr. and their son Charles attended the funeral.

## HEADS LOCAL McCARTHY GROUP

Mrs. Caroline Ballard Agurs is local chairman of "Ten Million Americans Mobilizing for Justice," a group supporting Senator Joseph McCarthy in the current censorship controversy.

## Jack Ladner Protests Number of Stray Dogs

Jack Ladner, president of the Hunters and Fishermen Association, this week pointed out the number of stray dogs on Carroll Ave. between Necaise Ave. and Beach.

Said Ladner, "There are more stray dogs in this immediate block than are found in Hound's Alley," and further asserted they are getting to and killing quail that he is domesticating.

He hopes the city authorities will investigate and do something about the canine residents of this particular block, he said.

## Yule Reunions Add to Home Fire Hazards

The "gathering of the clan" traditional at Christmas is a pleasant custom, but calls for special fire safety precautions, warns the National Board of Fire Underwriters.

For several days each year, this custom fills many homes with more people than normally live there. Some of them may have indifferent fire safety habits. All are in a holiday mood, which may make them less careful than usual. Add to that the fact that the usual winter fire hazards are present—greater than at any other season.

If you are playing host this year the National Board suggests you take a few basic precautions before the first guests arrive:

1. Make sure there are plenty of ashtrays strategically located in every room of the house.

2. See that the stove is clean and ready for the big cooking job ahead.

3. If some of your guests will be children, put all matches, cigarette lighters and other dangerous objects safely out of their reach.

4. As long as your company stays, keep these safety tips in mind:

1. If you're heating more rooms than usual, don't try to "force" your furnace if it won't take the added load. Call an experienced repairman instead.

2. Keep portable heaters away from combustibles, and also out of people's way.

3. Keep order in the kitchen. Several extra people all offering to help can cause a "traffic jam" in which someone may lean too far over a lighted burner, or tip over a pot of scalding liquid.

4. If more electrical appliances than usual are being used—space heaters, for example—don't overload circuits. Fifteen ampere fuses are the safe size for most household circuits, and if a fuse blows—some appliances should be switched to another outlet.

Guests have responsibilities, too. If you are going to be a guest instead of a host, see that you and your entire family are on your best fire-safety behavior. It is also wise to be prepared for an emergency. Just as you always note the location of the nearest fire escape in a hotel, when you are an overnight guest in someone's home figure out two ways of reaching the ground from the room in which you sleep.

## Decision On Hospital Postponed Week

### Navy May Train At Pass Christian

Mayor Francis Hursey of Pass Christian and President Robert Allen of the Pass Christian Chamber of Commerce met in New Orleans Wednesday afternoon with Comdr. C. S. Minter Jr., of the Navy and other Navy officials regarding the possibility of the Navy football squad using the facilities of the Maritime Station at Pass Christian for its Sugar Bowl training.

The station is on a stand-by basis and is said to have all the facilities necessary for the Navy team.

### Bay Women Hurt In Car Collision

Mrs. E. N. Spence, Waveland, suffered a broken collar bone and a fractured right arm, and Mrs. Horace Williams received cuts over her eye when an automobile in which they were passengers collided with a trailer on Highway 90 Saturday evening following the Tulane-LSU football game.

The accident occurred between the East and West Pearl River bridges. The car, which belonged to the Williams', was being driven by their chauffeur.

A car with a trailer attached was claimed to have stopped in the road to wipe off the windshield. The chauffeur of the Williams car saw the parked vehicle only in time to swerve the car he was driving to avoid a direct collision.

The driver and other occupants of the Williams car, Mr. Williams and Mr. Spence, escaped injury.

Mrs. Spence and Mrs. Williams were brought to King's Daughters Hospital, where they were treated. They later returned home.

### Drive-In Xmas Tree to be Dec. 18

Judge Nelius Rhodes and Mrs. Rhodes, managers of the Drive-In Theatre, will hold the annual Christmas Tree celebration that has become institutional with this theatre.

The festivities will be on Dec. 18, and the invitation is county-wide for all, young and old, to participate.

Santa Claus will be there with gifts for the kiddies, and the day will begin at 11 a.m. with a fish fry, which will continue until three in the afternoon. From 3 until 5 o'clock the Christmas tree festivities will be held.

### Legion To Meet

The regular December meeting of the Clement R. Bontemps Post 139 will be held next Tuesday night, Dec. 6, at the Legion Home at 8:00 p.m. according to an announcement made today by Commander Sidney Bourgeois.

Among the many subjects for the Legion's big Christmas Tree Party, Americanism program for 1955, New Year's Party for members, Hospital Committee Reports, next big community service project, commendations and awards and others, Bourgeois said.

Refreshment chairman Bert Estapa said special refreshments would be served.

Pictured above are the first junior members to join the local American Legion Auxiliary.

Left to right, back row: Mrs. Raymond Levell, Junior Auxiliary Membership Chairman, Patsy Elliott, Geraldine Kidd, Louise Bufkin, Barbara Jean Monti, Judy Competta, Mrs. Katherine Noto, co-chairman.

Front row: Dottie Estapa, Edna Bourgeois, Melva Lee Luke, Sue Ann Buehler and Dale Russell.

### Four Hurt In Auto Smashups Over Weekend

A two car collision on the Highway Saturday night resulted in the injury of three persons.

Cars driven by Jimmy Butler of Sycamore St. and Hubert Bilbo of Kiln. Mr. and Mrs. Frank Butler, were passengers in the Butler car with their son. Mr. Butler suffered a broken arm and his wife several fractured ribs. Bilbo sustained face lacerations.

Highway patrolman William Kenney reported the accident.

The injured were taken by Fahey's Ambulance to Memorial Hospital, Gulfport.

### Necaise Car Jumps Ditch

Victor Necaise suffered serious injuries early Monday when the car he was driving jumped a ditch on the Old Spanish Trail. The accident was investigated by Deputy Sheriff Paul Egloff, who said the steering wheel apparently was broken when the car hit some obstacle in the road. Necaise lost control of the car and it jumped a ditch, ending up in a driveway, Egloff reported.

Necaise was still unconscious when Egloff arrived on the scene some time after the accident.

Fahey's ambulance took the injured man to Memorial Hospital, Gulfport.

### Local Blood Bank Has Credit of 154 Pints

George Heitzmann, director of the Hancock County Blood Bank, reports that four patients in Memorial Hospital from here have received blood from the bank recently.

He reports that as of Nov. 1, there were 154 pints of blood to the credit of the local bank on storage at Foundation Hospital in New Orleans.

Persons who have not yet registered with the blood bank may do so by calling at the Tax Assessors Office in the courthouse, or at the Chamber of Commerce office at the City Hall.

Heitzmann will receive registrations at the courthouse and Mrs. Mabel Green at the City Hall.

## Christmas Lighting Heralds Yule Season

The spirit of Christmas was lucrily displayed for selections of shoppers.

December is here. Christmas is just 23 days away. All the fun and thrills of the Holiday season is prevalent. This is the one season of the year that is meant for children and adults alike; and throughout this great nation of ours, cities and towns are adding their note to the preparations by festively decorating with lights and festooning announcing the greatest holiday celebrated by Christians of all countries, the birth of the Savior.

Display windows also add their note of festive charm with the most attractive gift merchandise available.

### Homeowners Should understand why Winter Ranks as Top Fire loss Season

Highest fire loss totals, year after year, are recorded in the winter months, December through March.

Knowing this, and understanding why, may save many households from disastrous winter fires that can damage or destroy their homes and even cost their families' lives.

Principal winter hazards, points out the National Board of Fire underwriters, are these:

1. Home heating plants. These are hazards in themselves unless clean and in good repair—including their boilers and pipes. They also lower the humidity and tend to dry things out.

2. Open fires. To keep sparks from flying out on rugs and upholstery, a sturdy fire screen should always be in place. Chimneys must be clean and free of cracks, too.

3. Portable heaters. These present several hazards. If they are electric, they may put a drain on electrical circuits and cause overloading. If they burn oil, keep them level and away from combustibles such as drapes and furniture. Carry them outdoors. Never fill or carry a lighted heater. Rooms in which they are in use should be adequately ventilated. Gas heaters should be vented to the outdoors.

### Supervisors To Hear Final Arguments Monday

A delay of a week was granted by the Board of Supervisors before determining to sign an application for Federal funds for the construction of a new hospital here.

### MAYOR SCAFIELD IN HOSPITAL

Mayor John Scafield is a patient at Veterans' Hospital in New Orleans, where he was taken Sunday.

His condition is reported "not serious." He is under observation and being given tests by his physicians.

### Schools to Discuss Amendment On Segregation

A special meeting of Principals and Superintendents of public and private schools of Hancock County has been called for Monday, Dec. 6 at 7 p.m. in the office of E. E. Breland, Superintendent of Education of Hancock County.

Purpose of the meeting is to discuss the proposed amendment affecting the schools on the question of integration.

This will be an open meeting to which the public is invited.

### Forum Stated Dec. 8

A meeting will be held Wednesday, Dec. 8 at 7:30 p.m. at Bay High School where an open forum will view opinions on the proposed amendment which will be voted on Dec. 21, in a special election called for this purpose.

Speaking for the amendment will be the Hon. New Age, Secretary for Legal Education Advisory Committee of the State of Mississippi.

Opposing the amendment will be the Hon. Joel Blass, member of the Legislature from Sons County. The public is urged to attend and voice opinion on this vital issue. Both sides of the issue will be fairly presented, and Professor S. J. Ingram, City Superintendent of Schools, hopes that a representative voice of the people will be present and make themselves heard on the issue.

This meeting will be sponsored by the League of Women Voters and the school systems of the county.

### Christmas Lighting Heralds Yule Season

Some of the figures presented by Seal were:

Gulfport Hospital, loss costing city and county \$50,000 annually. Accounts due \$100,000, anticipated.

Jones County, 100 bed hospital, collections 25 per cent. 40 per cent occupancy, county meeting loss of \$29,000 to \$36,000 annually.

Forrest County, 100 bed hospital, 60 per cent occupancy, county meeting loss of \$96,000 to \$100,000 annually.

Jackson County, hospital plan for workers, 85 bed hospital, 80 to 82 per cent occupancy, county meeting loss of \$45,000 annual loss.

Stone County 22 bed hospital, 80 per cent occupancy, five mill tax levy made last year, county meeting approximately \$15,000 annual deficit. Bills receivable \$11,000, anticipated collections \$6 to \$7 thousand.

It was agreed that figures should be requested on operational expenditures at King's Daughters Hospital, as well as a complete breakdown of figures from the State hospital board in Jackson on most of the state hospitals. These would be presented at the next meeting of the board, Monday, Dec. 6.

Members of the local American Legion Hospital Committee also will supply figures for the board's consideration.

The Board promised to make a final decision at Monday's meeting.

### Little Theatre Xmas Program Cancelled

Erle Kirkpatrick, president of the Board of the Bay St. Louis Little Theatre announces that due to unforeseen circumstances the Christmas presentation scheduled for Dec. 13 has been cancelled.

The annual business meeting of the theatre, with the officers' Ours and election of officers, will be held at the theatre Monday, Dec. 13, at 8 p.m. All members urged to attend.

Membership for the 1954 will be on sale at that time.

## TB Fighter

The Public Health nurse works to help keep these children healthy and happy. Tuberculosis is one of her big problems, and the TB associations help her keep up with latest developments. In the field, the Christmas Seal Sale, only source of funds for the TB association, is being conducted from Nov. 22 through December.

## Junior Red Cross Fills Quotas

The Junior Red Cross in the following schools produced in November 200 articles to help brighten the Thanksgiving holidays for men in the Veterans Hospital in Jackson and Keeler AFB Hospital:

Bay High School, 50 bound copies of stories.  
Bay High Elementary School, 50 decorated nut cups.  
Christ Episcopal School, 50 tray favors.  
Germont Harbor, 25 menu covers.  
Taylor School 25 menu covers.

Materials for the Christmas holiday production quota has been delivered and JRC members in these schools, all in Dedaux, Waveland and St. Rose de Lima are making approximately 300 more articles.

Collection of magazines, comic books, photograph records and playing cards has been fairly good, but the group urge anyone who has any of these articles to spare to call Red Cross Headquarters, Bay St. Louis 67.

Christmas Seal funds contributed by the American people support tuberculosis prevention and control projects of 3,000 local and state associations affiliated with the National Tuberculosis Association.

The jungle tribes of the Upper Amazon prefer Yocco to a 10 to 1 Martini.

## New Directories At Logtown

Approximately 150 new directories are being delivered to homes and businesses in the Logtown section area according to L. C. Delaney, Bay St. Louis manager of the Southern Bell.

The directories are for subscribers to telephone service from the new dial switching unit at Logtown.

It is important that these directories be referred to when telephone numbers are desired, Delaney declared. Looking up the desired number helps to avoid the possibility of getting wrong numbers and saves time for both the calling and called parties. Information should be called only when the number sought is not listed in the directory.

## Announce Birth

Mr. and Mrs. Larry Young of New Orleans announce the birth of a daughter, Susan Marie, in Baptist Hospital, New Orleans, Nov. 18. This is the third grandchild of Commissioner and Mrs. J. Cyril Glover.

## Youth Center Closed

The Youth Center will be closed this week to allow necessary repairs to be completed on the building.

The oil of the horse radish tree is good for alarm clocks.

## New Telephone Exchange Goes Into Operation

Switching the switch, signaling the start of service over the new rural telephone facilities just completed, left Coast area, left to right: Wayne Green, Beadlington, Sadie Spence, Logtown, Bay St. Louis, Greenville, and Renee B. Bell, Naples.

Others to see the job done right are: T. C. Williams, Jr., General Chairman of the celebration and G. L. Bell, Southern Bell General Manager for Mississippi.

A. E. McDonald, who presides the first long distance call over the new facilities, looking on are (left to right) T. C. Williams, General Chairman of the Celebration, Public Service Commissioner T. S. (Oke) Sanders, and T. C. Williams, General Chairman of the Celebration, Public Service Commissioner T. S. (Oke) Sanders.

A group of 150 people attended the ceremony, which was started over the new rural telephone facilities just completed, left Coast area, left to right: Wayne Green, Beadlington, Sadie Spence, Logtown, Bay St. Louis, Greenville, and Renee B. Bell, Naples.

Others to see the job done right are: T. C. Williams, Jr., General Chairman of the celebration and G. L. Bell, Southern Bell General Manager for Mississippi.

S. (Oke) Sanders, and T. C. Williams, General Chairman of the Celebration, Public Service Commissioner T. S. (Oke) Sanders.

## Safety Precautions Help Guard Against Christmas Fire Hazards

The presence of Christmas decorations in homes is a major fire hazard, according to the National Fire Protection Association.

A young couple and their two children had been sleeping in a bedroom when a fire broke out in the living room. The fire was caused by a string of lights that had been hung in the room. The fire spread rapidly, and the family was forced to flee. The fire department arrived and extinguished the fire, but the damage was extensive.

A mother was burned rescuing her children from a fire in a bedroom. The fire was caused by a string of lights that had been hung in the room. The fire spread rapidly, and the family was forced to flee. The fire department arrived and extinguished the fire, but the damage was extensive.

These are just a few examples of last year's tragic holiday fires. Despite repeated warnings, they probably will be similar tragedies this year.

Key to the trouble is the tree itself, filled with lights and decorations, and extremely combustible. It ignites easily and burns so furiously that it is virtually impossible to put the fire out quickly.

As a protective measure, many local fire departments now offer to flameproof Christmas trees. If your town offers this service, take advantage of it. But in any case, protect your family by following these precautions recommended by the National Bureau of Fire Underwriters:

1. Choose a small tree rather than a large one.
2. Store it outdoors until a day or two before Christmas.
3. When you bring it in stand it in water and set it in a cool part of the house, away from radiators, heaters and fireplaces. Don't let it block an exit.
4. When you decorate your tree, remember these things:
  1. Be sure every lighting set and electric cord you use is in good condition—no worn or frayed wires, no loose sockets. (Naturally, you never use candles!)
  2. When you buy new sets or cords, look for the UL label. The one that bear it have passed Underwriters' Laboratories tests for fire and shock hazards.
  3. Provide a switch some distance from the tree for turning tree lights on and off.
5. Don't use lights that are not made of glass. Never decorate with cotton or paper unless they are labeled "flameproof."
6. Never set up electric trim on the tree.
7. Even when your tree is safe as a tree, make it take these added precautions as long as it is in your home:
  1. Don't let gift wrappings pile up under or near the tree.
  2. Don't leave tree lights burning when no one is home.
  3. From time to time, see whether needles near the lights have started to turn brown. If so, change the location of the lights.
  4. When needles start to fall, take the tree down and discard it outdoors.

Frank Tacon, Chairman of the Legion adult entertainment committee, said a series of adult parties are being held to help finance the Legion Christmas program. These parties are being held each Wednesday at 8 p.m. and Sunday at 2 p.m. at the Legion home, he added.

Commander Bourgeois stated, "Time is passing fast and we don't know if enough money can be raised in time to finance this program through the adult parties. A much greater participation is needed if we are to reach the financial goal needed. We feel that the adults of the community realize the value of this Christmas program and that they will support it by making donations to it to insure its success. Donations are deductible from income tax. Bring or mail these donations today."

Water Gex stated "I am glad the Legion took up this program. They have proved themselves to be a group of go-getters who are an asset to the community. They make success by working hard. I hope that every person in Bay St. Louis and Hancock County who can help will support and contribute to this Christmas party for the kids."

Maya John A. Seaford declared, "This is a chance to buy a 'big buck' of Christmas spirit for a mighty small price. If you doubt it, contribute, and then go to the party yourself. Watching the light of happiness in the eyes of the kids as they receive their presents from the Legion's Santa Claus will well repay you."

Tom Bressler, co-chairman of the party, said "This Christmas party includes a free matinee movie and free pop corn for all of the kids and is planned for all of the kids. There will be at least one gift for every one of them at the Christmas tree at the Legion Home."

"It's a tough job but we are getting a kick out of it and rich or poor, we want to see the kids there at the party."

Bees turn out more honey per bee than you would believe.

Times have changed, everyone agrees.

## 'Caine Mutiny' at A & G Sun., Mon., Tues.

Many a novel has been called, deservingly, a best-seller. But the word literally has no meaning when the record of "The Caine Mutiny" is studied. Here is a black-buster of a book, a novel that rates among the greatest of our generation.

By virtue of its characters, story and setting, it has won the favor of critics and public alike in unprecedented fashion. There has never been anything like "The Caine Mutiny," Herman Wouk's Pulitzer prize winning novel brought to the screen by Columbia Pictures.

Starring Humphrey Bogart, Jose Ferrer, Van Johnson and Fred MacMurray at the A & G Theatre Sunday, Monday and Tuesday, Dec. 5-7 in color by Technicolor, "The Caine Mutiny" was produced by Stanley Kramer.

Wouk's spectacular story rips the steel hulls off a ship, a US Navy destroyer minesweeper, and bares the raw emotions seething beneath her decks. It reveals, as few novels have ever done, reactions of men pent-up in a ship built, as one of Wouk's characters says, "to be run by idiots." Battle tensions magnify the natural clash of varying temperaments.

"The Caine Mutiny" has been described by Ovielle Prescott, literary critic of The New York Times, as "one of the best novels about the Second World War so far written by an American." The most lauded and accepted book of a generation.

# Stanislaus In Dairy Bowl Tonight

Tonight the St. Stanislaus Rockchaws will journey to Perkinston Junior College Stadium to meet the Brooklyn Aggies in the fifth annual Dairy Bowl contest.

St. Stanislaus will enter the contest with a 5-3 record, while host Brooklyn has an 8-1 record. Their only loss was a 16-7 game to Lucedale, a team they earlier had beaten 7-0.

The Rockchaws will be without the services of halfback Ed Hargrove, who was injured in the Blount game, and possibly left end Louis Lader, who was hurt in the De LaSalle tilt.

Sunday the Rocks had their first practice since the Thanksgiving holidays began last Wednesday. They went through a two-hour workout of mostly running and getting into shape. Monday they held rougher workouts and had a short fifteen minute scrimmage. Signal drills were stressed by head coach Farley Day in the Tuesday afternoon session.

Yesterday the Rockchaws held their final practice before game time, a light workout. Coach Day has been stressing passing the last week, in an attempt to loosen up Brooklyn's defense. However, their regular T-formation running attack will be carried out throughout the game.

"We have improved very much since the season began, and ever since the McGill game we have been rolling," Coach Day said.

The Rockchaws coach scouted the Brooklyn-Lucedale game at Mississippi Southern last week and noted the weaknesses of Brooklyn's backfield.

They have a big backfield and a fine set of backs in Papadopolis, Francis and Jussey. Their backfield men are not only fast but big and will wear our watching.

Coach Day commented.

Halfback Karl Francis has been leading the ground attack of the Aggies and has accounted for 69 points. Halfback Mike Norris completes one-two-halfback punch in his changing and yard netting. Norris has tallied 45 points from Brooklyn this season. Their 170-pound charging fullback, Joe Papadopolis, and passing ace Billy Jussey round out a very offensive backfield.

Quarterbacks Billy Jussey and Willie Clark are rated as very accurate passers, and with receivers like James Helton, George Pace and Sellers Hastings their passing attack will spark their offensive drives.

Coach Fred Henley's Aggies, like Stanislaus, will run from the regular T-formation. They will enter the game with Byrd and Hastings and linebackers J. C. McCordle and Joe Byrd, end Hastings and linebacker Willie Clark.

In ten games Brooklyn has been defeated once and tied once. De Soto Conference mate Petal battled the Aggies to a 7-7 standstill while Lucedale topped them 16-7 in a DeSoto Conference playoff game last week. Brooklyn had earlier edged Lucedale 7-0. Brooklyn led the conference throughout the season but faltered in a playoff game with number 14 team, Lucedale.

Brooklyn shut out Richton, Lucedale, Parv, Wiggins, Leaksville and Lumberton. Petal and Ellisville scored once on the Aggies while Poplarville and Lucedale (in their return game) scored twice. The Aggies have allowed only 41 points to be scored on them in their ten outings. They have netted 211.

Coach Fred Henley has had the Aggies working out every day since they accepted the bowl bid. Scrimmages, conditioning drills and fundamentals have kept Brooklyn busy with training and they are reported to be in the best of physical condition. Brooklyn sports the best football team in its history.

Coach Day summed it up by saying, "We'll have to be up for Brooklyn, mentally as well as physically. We'll have to play one of our best games."

This is the first time either team has played in the Dairy Bowl. Proceeds will go to the Stone County Doll and Toy Fund.

Christmas Seal Sale funds were used in 1954 to provide grants for 35 medical research projects and twenty teaching and research fellowships.

### Long Beach and Notre Dame to Vie In Shrimp Bowl

Friday night Gulf Coast Champs Notre Dame will vie with the Long Beach Bearcats in the 15th annual Shrimp Bowl in Biloxi.

Both schools sport impressive records, Long Beach having a 9-3 record, and Notre Dame a 7-3 record.

Long Beach will enter the game as a favorite over Notre Dame, having defeated them earlier 20-0. However, the Rebels twice defeated OLC, 7-0 and 27-7, while the Eagles of OLV edged Long Beach 7-6. In comparative games, Notre Dame downed Jilleville 27-0 while Long Beach topped the Pass Christian Pirates, Long Beach 13-0 and Notre Dame 40-0.

Ever since the Bearcats defeated Notre Dame 20-0 they have been on the downslide. OLV edged them 7-6 in Long Beach's homecoming, and the battered Pass High Pirates held them to an 18-0 count. However, they managed to squeeze in a 32-0 victory over Wiggins.

Since their loss to Long Beach, Notre Dame has been on the upgrade. They slaughtered the Kiln Wildcats 47-0, trounced Pass High 40-0, held highly favored St. Stanislaus to a 12-6 contest and defeated the Our Lady of Victories Eagles 27-7 in the playoff game for the Gulf Coast Conference.

Even though Long Beach is the favorite, Notre Dame now has the power to go over the Bearcats.

Each squad has shut out opponents four times, while Notre Dame was once shut out themselves.

Season records of the two teams are:

NOTRE DAME			
ND	OLV	OP	
7	ARAB LA	0	
27	PICAYUNE	33	
19	OCEAN SPRINGS	19	
27	JILLEVILLE	0	
0	LONG BEACH	20	

### LUCEDALE GRABS DE SOTO PLAYOFF

Lucedale defeated the De Soto Rebels 14-7 in a DeSoto Conference playoff game at Perkinston Junior College Stadium.

St. Stanislaus, for in the opening period on a pass from George Sekul to Ray Ebbertson. A two yard plunge by Henry Ellrich and a short pass from Ebbertson to Gerald Moran for six yards accounted for the third tally in the second quarter. The last score came in the fourth period on a quarterback sneak by George Sekul.

The Rebels got a pair of touchdowns in the opening period on a pass from George Sekul to Ray Ebbertson. A two yard plunge by Henry Ellrich and a short pass from Ebbertson to Gerald Moran for six yards accounted for the third tally in the second quarter. The last score came in the fourth period on a quarterback sneak by George Sekul.

The Rebels only score was made in the final period on a line back by Billy Brabston after a sustained drive.

Score by quarters:

NOTRE DAME 14 7 0 0 - 27  
O L V 0 0 0 7 - 7

### TUNG BOWL GRIDIRON CLASSIC IS CANCELLED

40 Teams Decline Invitations to Play

Picayune's Tung Bowl football game was cancelled this year due to being unable to obtain sufficient teams.

The Tung Bowl committee signed the Picayune Maroon Tide to be host team, but after asking over 40 teams, they failed to sign another squad to play in the post-season affair.

The committee dipped into Mississippi, Louisiana and Alabama in an attempt to find an opponent for Picayune but each school gave its reasons for not being able to accept.

In November Picayune swamped McDonough of New Orleans 40-25, upset highly favored Moss Point 19-6, mauled Bay High 47-12, and last week trounced Columbia 34-0. Their only setbacks in their 10 game schedule were by Lumberton 20-7 to Gulfport and Pascagoula.

Bids to the bowl were offered to such powerful teams as Pascagoula, Brookhaven, Shidell, La., Bogalusa, La., Jesuit of New Orleans, Meridian, Hammond, La., McComb, Natchez, and every team in the south Big Eight, to name a few.

Last year's Tung Bowl was won by the Poplarville Hornets when they defeated Covington 19-6.

Picayune's record shows a 13-13 tie with Franklinton, La., a 8-6 upset of Biloxi, a 33-0 victory over Shrimp Bowl bound Notre Dame, a 3-6 win over Dairy Bowl bound St. Stanislaus, a 20-7 setback at the hands of Pascagoula and another 20-7 loss to Gulfport, a 40-25 victory over John McDonough High of New Orleans, a 19-6 upset over Moss Point, a 47-12 trouncing of Bay High, and a 35-0 win over Columbia.

BROOKLYN 0 2 7 7 - 16

### Sellers Downs Orange Grove

Sellers Green Wave spoiled the Orange Grove Eagles' undefeated march Tuesday night with a tight 14-13 victory in the nightcap of a divided basketball double-header at Orange Grove.

Orange Grove's girls team saved the night by grabbing a 39-33 win for their eighth victory in nine starts. It left the Sellers Sextet with an even 10-10 record.

Coach Roland Lader's Wave led at the end of every quarter to record its 11th decision in 13 games. The Wave was pressed by Coach Gene Stauter's Eagles to maintain a 26-22 halftime edge after leading 12-6 in the quarter.

Orange Grove drew to within three points, 42-39, after trailing 38-33 entering the last quarter. But another superb sent the Wave on its way.

The score was tied on nine occasions in the first half as the Eagles lost their first game after eight victories.

James Claude Lee scored 14 points for the winners, Ray Shaw and Bill Lader added 10 and 12, respectively. High Eagles were Jerry Rouse, the player of last year's Pass High tournament that went Orange Grove into the overtime period with Pass High with its last second shot, with 18 points, Wallace Kinney with 15 points and Everett Busby with 10.

After grabbing a 17-10 quarter lead, the hosting girls widened the gap to 27-14 at halftime. They beat down a Sellers counterattack after leading 33-27 at the end of the third frame.

Although fouling out in the early part of the final quarter, Eaglette Marie Sauter scored 24 points. Vannie Hendrix added nine. Dorella Cuevas with 17 and Shirley Lader with 8 led Sellers.

The game, played Tues. Nov. 24 at Orange Grove, was the second meeting of the two teams. Orange Grove handed the Green Wave their first setback Nov. 9 by a 42-36 score. The Orange Grove girls won over Sellers 39-37.

The game, played Tues. Nov. 24 at Orange Grove, was the second meeting of the two teams. Orange Grove handed the Green Wave their first setback Nov. 9 by a 42-36 score. The Orange Grove girls won over Sellers 39-37.

For the trampled Samrocks while Jayle Cuevas netted 13 points. Betty Neacise's 31 points gave Kiln a decisive 59-43 win over the Samrocks.

Larry Lader dropped 23 points in the net to lead Kiln while Jason Mauffray and Russell Mitchell added 14 and 10 respectively.

Vernon Garriga scored 30 points for the trampled Samrocks while Jayle Cuevas netted 13 points. Betty Neacise's 31 points gave Kiln a decisive 59-43 win over the Samrocks.

## SPORTS VIEWS and REVIEWS

BY CHRISTOPHER BELL

Plans for an all-star football game between the nation's top high school players, to be called the North-South high school game, were cancelled last week because of "severe criticism."

The Magnolia, Ark. Junior Chamber of Commerce promoted the tilt as plans had it to be played in Magnolia next August. Aubrey Galloway, president of the Junior Chamber of Commerce, said the game was called because of "severe criticism" received from state high school athletic associations.

Galloway said the consensus of letters received from athletic associations was that the game "would place athletes on the auction block for college coaches."

An inside source tells us that the half-time ceremony St. Stanislaus will perform at the Dairy Bowl should be as interesting as the game.

Much to our disappointment Pica-yune's Tug Boat had to be cancelled this year. After signing their own Maroon Tide, the committee was unable to find another opponent to meet Pica-yune.

The Maroon Tide won the bid by their November sport in which they won four straight hard games over McDonough, Bay High, Moss Point and Columbia. However, in picking up the points they seemingly drove away the thoughts of any other team's acceptance of playing them.

The committee asked close to 50 teams, but each refused to meet Pica-yune. Of course many were unable to play, but it is a sure bet that a lot of them weren't too.

## Bay High Cops Double Win In Cage Openers

B Team Drops  
31-30 Thriller

The Bay High Tigers and Tigerettes opened their cage season by winning double victories over the invader Poplarville Hornets Tuesday night at the Bay High gymnasium. The Tigers won 45-22 and the Tigerettes won 31-30.

The Tigers were at no time in trouble from Poplarville. They had a 15-0 first period lead and at halftime had a 30-10 advantage.

Poplarville was held to only 5 points in the third quarter while Bay High dropped in 12 to bring their lead to 42-15. Coach Caldwell sent the Bay High string to the showers and played the second string the entire final quarter.

Rosemary Millinery put on a sharpshooting performance in the girls' tilt and netted 22 points in the Tigerettes' 31-30 win over Poplarville. Annie Marie Holden and Glenda Reed tallied 7 each.

The Tigerettes led 28-13 at halftime. The Hornets tallied 13 points in the final period against Bay High's second string to move to within 10 points, but the first string scoring was enough to give Bay High a 31-30 victory.

Poplarville managed to edge Bay High's "B" team in the thriller of the evening by a 31-30 score. The Hornets led throughout the contest until the final quarter when the Tigers put on a ten point spurge to come within a point of Poplarville, but time ran out before the Bay could take a lead.

It was the opening game for both Poplarville and Bay High. Tomorrow night Bay High will host the Lumberton Lumberjacks. Lumberton boasts one of the best girls' teams in the state and also have a very fine boys' team.

The 3,000 voluntary associations organized to fight tuberculosis in the United States will conduct their annual Christmas Seal Sale from November 22 through December 31.

The Rockchaws will enter the game a slight favorite, and the contest might narrow down to an extra point game. St. Stanislaus has lost or tied in four games because of miffing extra point attempts. In 20 touchdowns they have made only six, five of which were in November.

If St. Stanislaus continues to play as they have the last month, they will defeat the Aggies by at least two touchdowns.

The Thirty-eighth annual Floa-Fly Classic will be held Sunday, December 12 at St. Stanislaus Stadium.

The game is for the benefit of the Brother Peter Memorial Christmas Basket Fund.

Over seventy football players will participate in the classic. The Floa-Fly will have three squads, coached by Brother Carl, Brother Bosco and Brother Godfrey, while the three Fly groups will be coached by Brothers Celestine, Neil and Noel.

St. Stanislaus is ready to begin their cage season as local prep basketball takes the full spotlight.

Bay High began the season last Tuesday, while St. Joseph Academy started earlier in November.

Kila, Dedaux and Seitz already are deep into their court schedules. Bay High, Kila and Sellers should rate as the better teams in this area. They all have senior ball clubs and all-star players. The Tigers have Donald Cole, Kent Selier, Charles Moran, Leroy Blackmon, Billy Breland and Tommy Holden, to name a few of the team's returning sharpshooters.

Kila already has chalked up a 6-0 record with Louis Ladner, Russell Mitchell and Louis Garriga leading the offense.

A team that will be the sleeper of the county will be the Green Wave of Sellers. The lads have already played 13 games, winning 11. Last week they defeated Orange Grove, one of the Coasts power houses. They have been given little notice, but with victories such as they have been registering they are sure to be in the headlines.

These three schools have excellent basketball teams this year and the trio should spotlight Hancock County's activity.

Eleven St. Stanislaus seniors will be playing their last football game tonight when the Rockchaws meet Brooklyn in the Dairy Bowl.

Alvin Seaford, Maurice Arigue, Douglas Talbot, James Schenayder, Corky Wittmann, Robert Duke, Frank Hille, Louis Ladner, Charles Rick, Woody Santa Cruz and Richard Fakier are the seniors capping off their high school careers.

St. Stanislaus will be in almost top shape for the tilt, but will be without the services of Ed Hargrove and maybe end Louis Ladner.

Brooklyn sports a very impressive record and led the DeSoto Conference throughout the season. However, they were defeated 16-7 in a playoff game with second place Lucedale. The Aggies have averaged 21.1 points per game in their 10 outings, and have allowed a 4.1 per game average to their foes. The Rockchaws are averaging 12.6 points to their opponents' 10.0.

## Pica-yune Pastes Columbia 34-0

Holback Green Watts led the Pica-yune Maroon Tide to a 34-0 blanketing 14-0 victory over the Columbia eleven Thursday night by scoring three touchdowns in Columbia's stadium.

With the aid of Watts' driving, Pica-yune ran up a 27-0 halftime score over the Columbia eleven.

Pica-yune's only second half score was made on the first play from scrimmage on a punt run by Glynn Dossett. Arnold Strice tallied the other Pica-yune touchdowns.

This concluded the Maroon Tide's first season with a 8-2-1 record. Their only two setbacks were by identical scores of 20-7 by Gulfport and Pascagoula.

## Sellers to Host Owls

The Sellers Green Wave will play host to the Chalmette Owls quintet of New Orleans Friday night in varsity and B team basketball frays.

The B squad will start the ball at 8 p.m. with the boys' varsity game to follow.

Coach Roland Ladner, Sellers skipper, announced the following starting lineup for the Green Wave: Guards, James C. Lee and Monvel Cuevas.

On the same cage program slated by the Sellers gym the Orange Grove Eagles lock horns with the Improve Petty quintet with games slated for both the boys and girls' gymnasiums.

Both Orange Grove, with only a single loss marring an otherwise perfect record, and Improve Petty boast impressive records for the current season.

The girls' teams, each of which has lost only one game, will be out for their eighth victory.

Saturday night Sellers' boys and girls squads meet the Improve Petty quintet and sextet on the Sellers gymnasium.

Tuesday night Sellers will host the fast and powerful Kila High eagles. Both Kila teams are undefeated in six starts.

People used to think of tuberculosis as a hopeless, hereditary disease. Today we know that TB is not inherited and that it can be cured.

Shown above on stage at the Rural Telephone Day Ceremonies at Centerville are, left to right: Mrs. Elsie Barron, Magnolia; W. R. Bunn, Hattiesburg; Mrs. Gladys Simmons, of Woodrow; V. Y. Felder, Pike County Farm Bureau President; Rev. O. W. Wardlaw, Pastor, Magnolia Presbyterian Church; State Senator B. D. Statham, J. M. Phillips, Jackson; A. M. Strickland and C. A. McKinney, both of Centerville.

## 450 Attend Rural Telephone Day Ceremonies In South Mississippi

MAGNOLIA—A crowd of approximately 450 attended ceremonies held Thursday at the Centerville Consolidated School celebrating the inauguration of rural telephone service in a wide area of Pike County east and south of Magnolia. The area includes the Centerville and Woodrow communities.

The new facilities cost approximately \$40,000 and provide telephones for about 140 rural homes and business houses in the area, and all will be connected to the Magnolia exchange. J. W. Maxwell, McComb Group Manager for Southern Bell, told the big crowd assembled to hear the addresses delivered by men and women of prominence in state and community affairs who were on the program.

"The network of rural telephone lines we are placing in service here today," Mr. Maxwell said, "is a sequel to the story told at a similar celebration held at Smithdale last April. Like the Smithdale project, the one here is part of a series of rural telephone jobs in the Pike, Lincoln, Amite and Walthall county area, designed to give this section one of the state's most complete rural telephone systems."

In the principal address of the evening, J. M. Phillips of Jackson, Mississippi, Manager for the Telephone Company, said: "Southern Bell has spent more than a million dollars for rural telephone expansion in this general area alone since the end of 1945. This has enabled us to provide a ten-fold increase in the number of telephones serving farm homes and rural business establishments in the counties mentioned by Mr. Maxwell."

"All of this is part of an overall plan of rural telephone improvement which Southern Bell has been following here in Mississippi for the past nine years," Mr. Phillips continued. "All these years of work along with an investment of over 15 million dollars of new money in these facilities has resulted in raising the number of rural telephones in the state from 835 in 1945 to more than 46,000 today."

The celebration was sponsored by citizens of the Woodrow and Centerville communities. A. M. Strickland was chairman of the organization committee and also acted as Master of Ceremonies. The program began at 7:00 P.M. and was followed by a delicious buffet supper served by the ladies of the communities.

Magazine Agent Bill McKinley takes orders by means of a telephone equipped especially for his use by Southern Bell representatives.

## Paralyzed Mississippian Carries On Paying Business By Telephone

GULFPORT—Bill McKinley, of Hattiesburg, almost totally paralyzed from a stroke last year, is using his bedroom as an office and his bed as a desk in a successful magazine subscription agency, with a telephone which was equipped especially for his use by representatives of the Southern Bell Telephone and Telegraph Company.

McKinley's telephone is equipped with a key which enables him to dial the number of the subscriber he is calling. He can also dial the number of the magazine he wants to subscribe to. After a subscriber has been called, McKinley can dial the number of the magazine he wants to subscribe to. He can also dial the number of the magazine he wants to subscribe to.

For over a year, Bill had been toying with the idea of establishing a magazine subscription agency but there seemed to be so many obstacles that he had thought best to wait. Then a visitor to the hospital room where he was recuperating in the summer of 1953, told him about a wheelchair patient in Texas who had been doing that very thing with the help of his telephone. This led Bill's mother to get in touch with the Vocational Rehabilitation Office, operated here by the State Department of Education.

Director Sidney Smith of the State Department of Education called and the help of local radio and recording experts to assist in solving the difficulties imposed by Bill's inability to use his hands.

Bill's telephone is only one of several thousand installed by Southern Bell last year to serve Mississippians, but it's a mighty important factor in his life. It is enabling him to become an active useful citizen again, with a business of his own and a growing bank account.

## Pass Splits Twin Opener

PASS—Columbia High's eagles played a 14-0 victory over the Orange Grove Eagles in a twin opener game Tuesday night.

The game was held at the Orange Grove gymnasium. The game was a 14-0 victory for Columbia High.

## Mississippi Tops In Pulpwood

According to the latest figures revealed by the US Forest Service, Mississippi's forest's produced more pulpwood in 1953 than any of the other 11 southern states and ranked second only to Georgia in total pulpwood output of both pine and hardwood.

Mississippi's total figure of 1923,000 cords represent an increase over the previous year of 3.1 per cent. Of the above figure, 173, or 649,000 cords were hardwood. Of Georgia's 2,879,000 cord total, 120,000 cords were of the hardwood species.

Copiah County led all other Mississippi counties in total pulpwood production with 89,000 cords while individually, Clarke was ahead in pine and Wilkinson in hardwood with 11,933 and 42,900 cords respectively.

### Engagement Announced

Mr. and Mrs. George W. Staley of St. Louis, Mo., announce the engagement of their daughter, Miss Dorothy Jean Staley, to Mr. Charles Frank III, USN, of New Orleans.

The wedding is scheduled for December 11.

Mr. Frank is a graduate of the University of St. Louis and is now serving in the U. S. Navy.

Miss Staley was graduated from the University of St. Louis and is now a member of the St. Louis chapter of the Junior League.

The wedding will take place at the home of the bride's parents.

### Bringing Up Father

By George McManus

## Flimsy Garb A Fire Threat To Youngsters

If you have any children in the city, you know that the flimsy garb of youngsters is a fire threat.

The choice of gifts will probably be made for you in the form of flimsy garb for the latest in space suits, cowboy outfits or whatever other costumes their current make-believe lives call for.

And you'd better follow instructions to the letter, because even a misplaced stud on a holster will be spotted!

But the most important detail, the National Board of Fire Underwriters emphasizes, is something the youngsters won't even notice. It's this: make sure those costumes are flame resistant!

Last June, a partial victory in the fight against the sale of flammable garments was achieved with the passage by Congress of Public Law 88, known as the "Flammable Fabrics Act." Nevertheless, this is a minimum law, and does not fully protect the consumer.

As Edward F. Howery, chairman of the Federal Trade Commission (policing

agency for the law) warns, "The act merely forbids the sale of those fabrics which are especially flammable. Fabrics of normal flammability can still result in casualties if the wearer is careless with fire or sparks."

What can you do to protect your children?

First, when buying a costume of flimsy material, see if it is labeled as being flame-resistant. Occasionally you can find one that is. But even if you do, make sure washing or dry cleaning doesn't lessen or destroy the flame-resistance.

In the case of untreated costumes, you can easily do the job yourself. Just dip the cloth (assuming it is washable) in a solution of 9 ounces of borax and 4 ounces of boric acid to a gallon of water. Wring by hand and hang to dry. The flame resistance is not affected by ironing, but the treatment must be repeated after every laundering.

Use this treatment on flimsy party dresses and doll clothes, too, and it's equally good for grown-ups' clothing and for washable draperies and other household furnishings.

A word of caution: Don't expect too much of the term "flame-resistant." If you hold a match to a flame-resistant fabric, it will burn. But it will not continue to burn when you take the match away. Your children will be safe from a deadly or disfiguring "flash fire!"
